Date : 01/03/2024
Department/Committee : Lokmanya Green Club
Title of Activity : A Leaky Tap search Mission
Resource Person : Mrs.Rojana Mujawar
Number of Beneficiary : 25

Short Description of Activity / Programme :

The Lokmanya Green Club, Mahila Mahavidyalaya Karad under the “protection of natural resources and water saving mission through youth of government of Maharashtra”, conducted a leak detection campaign in the college on 01/03/2024.

Ms. Rojana Mujawar youth president of Green Club and members searched for leaking taps in the college and informed the administration that a lot of water is wasted through the leaking taps. The principal assured to repair the leaking taps to save water. All the staff and members of the Green Club participated in the campaign.
