- **Skill Development Courses run by The Centre for Skill Development of the College and their COs:**

CSD 01: Certificate Course in Spoken English

CO1: Confidence in students to speak in English

CO2: Improvement in Vocabulary

CO3: Development in Interpersonal Conversational Skills

CO4: Development in Listening and Spoken Skills

CSD 02: Certificate Course in Information and Communications Technologies

CO1: Acquisition of basic knowledge of computer

CO2: Acquaintance with different Operating Systems

CO3: Efficient use of Microsoft Office 2007

CO4: Learning of using Web Browsers in Computer System & Internet Technology

CO5: Awareness of Social Networking Sites.

CSD 03: Certificate Course in Beauty Care

CO1: Acquisition of knowledge about skin care and its treatment

CO2: Attainment of skills of hair treatment, hair cutting styles and colouring

CO3: Understanding of requisite theory and practical knowledge to perform beauty services professionally

CO4: Training to manage a self-owned parlour or assist in managing the parlour

CO5: Attainment of Soft Skills for consultation & delivering the service

CSD 04: Imitation Jewelry

CO1: Basics of imitation jewellery preparation

CO2: Preparation of pearl jewelry, flower jewelry,, oxidized jewellery, temple jewellery, stones, beads and kundan jewellery

CO2: Attainment of jewelry making art

CO3: Development of professional approach

CO4: Attainment of employment or self employment

CSD 05: Mehandi

CO1: Awareness about Mehandi art as an employment opportunity

CO2: Introduction to the basics of Mehandi

- CO3: Theoretical knowledge about the uses of Mehandi
- CO4: Preparation of mehandi paste and mehandi cones
- CO5: Practical training about basic and advanced styles in Mehandi
- CO6: Traditional and bridal Mehandi application and designs

CSD 06: Certificate Course in E-banking

- CO1: Awareness about banking
- CO2: Ability to use computer applications regarding banking
- CO3: Information about various banking transactions and facilities
- CO4: Experiential learning of banking

CSD 07: Cakes, Pastries and Chocolates Making

- CO1: Knowledge of fundamental baking techniques
- CO2: Identification of various ingredients and their usage
- CO3: Application of different mixing techniques, baking processes and icing
- CO4: Knowledge of current trends in baking and newer products
- CO5: Usage of baking equipment
- CO6: Start own small but profitable bakery unit / home baking

CSD 08: Fabric Bags Making

- CO1: Attainment of Bag Making skills
- CO2: Promoting creativity by designing bags for different purposes/needs
- CO3: Encouragement for entrepreneurship
- CO4: Awareness of importance of environment protection
- CO5: Implementation of Reduce, Renew and Recycle principles
- CO6: Encouragement to start an enterprise in bag-making

CSD 09: Certificate Course in Fashion Designing (Designer Blouses)

- CO1: Knowledge of the basics of Fashion Designing
- CO2: Development of the skills in sewing techniques- blouses and its types
- CO3: Acquisition of the knowledge of garment construction
- CO4: Acquisition of skills of embroidery and utilizing various techniques of garment decoration
- CO5: Attainment of self - employment.

CSD 10: Certificate Course in Fashion Designing (Salwar Kameez)

CO1: Knowledge of the basics of Fashion Designing

CO2: Development of the skills in sewing techniques

CO3: Acquisition of the knowledge of garment construction – salwar -kameez and their types

CO4: Acquisition of skills of embroidery and utilizing various techniques of garment decoration

CO5: Attainment of self - employment

CSD 11: Certificate Course in GIS

CO1: Understanding of GIS concepts, techniques and their application

CO2: Understanding of the technical language of GIS

CO3: Usage of GIS in the context of business needs and IT strategies

CO4: Understanding of the application of Geography for the efficient use of GIS

CO5: Usage of GIS tools

CO6: GIS and Mapping software development

CO7: Encouragement to pursue GIS as a career option

CSD 12: Certificate Course in Psychological Counselling

CO 1: Understanding of Perspectives and Practices in counselling

CO2: Awareness of various issues involved in counselling

CO3: Identification of areas and crisis situations that need counselling

CO4: Understanding of techniques of counselling

CO5: Acquisition of skills in preparing the tools for counselling

CO5: Attainment of Professional identity as a counsellor

CSD 13: Police Recruitment Preparatory Training

CO1: Knowledge of the basic concept of police training process

CO2: Physical fitness through physical training and sports

CO3: Development of overall lifestyle (physical, mental and social)

CO2: Attainment of physical and mental ability requisite for police recruitment

CO3: Awareness of job opportunities in police force

CSD 14: Food Preservation:

CO1: Understanding the factors affecting growth of micro-organisms and spoilage of food

CO2: Application of the principles of food preservation while preserving food

CO3: Knowledge of various methods of food preservation

CO4: Acquisition of the skills of food preservation

CO5: Explore entrepreneurial opportunities

CSD 15: Baby Kit Making:

CO1: Attainment of basic sewing skills

CO2: Knowledge of clothes required by a new born baby – all-in-one hamper

CO3: Explore the possibilities of entrepreneurship

CO4: Creative use of newer materials ensuring safety, comfort, hygiene and needs of the newborn

CSD 16: Artificial Flowers and Bouquet Making:

CO1: Knowledge of making flowers from paper, identical to natural flowers in appearance

CO2: Knowledge of various types of paper used to prepare artificial flowers

CO3: Practical knowledge of preparing flowers and baskets and bouquets using them

CO4: Knowledge of preparing napkin-bouquets

CO5: Explore possibilities of entrepreneurship

CSD 17: Ice cream, Falooda and Kulfi Making:

CO1: Knowledge of materials and equipment required for ice-cream preparation

CO2: Knowledge of the process of ice-cream preparation

CO3: Knowledge of methods of ice-cream, kulfi and falooda presentation

CO3: Knowledge of natural and artificial flavours going into ice-cream preparation

CO4: Creative use of fruits, dry fruits and flavouring materials in ice-cream preparation

CO5: Starting own small ice-cream parlour or business

CSD 18: Instant Premixes

CO1: Preparation of various premixes to enable instant preparation of food items

CO2: Knowledge of food preservation and preparation techniques

CO3: Knowledge of packing, marketing etc.

CO4: Start own food premixes business to avail of the opportunities in food industry

CSD 19: Cookery

CO1: Knowledge of principles involved in cooking food

CO2: Knowledge of various methods of preparation, cooking and presentation of recipes

CO3: Development of culinary skills

CO4: Application of knowledge earned to start an enterprise

CSD 20: Certificate Course in Women's Laws

CO1: Awareness about various laws in India regarding safety and security of women

CO2: Knowledge about historical, international, legal position of women

CO3: Awareness about the significance of gender equality

CO4: Awareness to create an environment free from violence and discrimination against women

CO5: Significance of maintaining social security and dignity of women

CSD 21: Advanced Diploma in Hair and Beauty

CO1: Attainment of advanced skills in Beauty care like bridal makeup, 3D makeup, HD makeup

CO2: Knowledge of advanced skin treatments

CO3: Knowledge of Hair Care treatments

CO4: Proficiency in hair smoothening treatments

CO5: Proficiency in advanced haircuts (female) and hair colouring

CO6: Knowledge of Facial treatments

CSD 22: Panchakarma Therapist

CO1: Theoretical and practical knowledge of Panchakarma Therapy- an integral part of Ayurvedic

treatment

CO2: Detailed practical knowledge of the various processes involved in Panchakarma Therapy

CO3: Hands-on knowledge through Internship

CO4: Readiness for job as Panchakarma Therapist

CSD 23: Diploma in Food Processing (Approved by UGC NSQF and affiliated to Shivaji University Kolhapur)

CO1: Obtain knowledge of different food groups and nutrient content.

CO2: Understanding of food groups and their functions.

CO3: Acquiring the knowledge on different methods of cooking.

CO4: Choosing appropriate cooking method to conserve nutrients.

CO5: Acquiring skills on different methods of cooking.

CO6: Understanding of experimental cookery.

CO7: Development of recipes by applying knowledge on cooking methods and properties of food.

CSD 24: Certificate Course in Yoga and Fitness (Approved by UGC NSQF and affiliated to Shivaji University Kolhapur)

CO1: Awareness of relevance of Yoga in modern life

CO2: Understanding of yoga and its nature

CO3: Understanding of the types of yoga- *Karma* Yoga, *Bhakti* Yoga, *Jnana* Yoga, Raja yoga, *Hatha* yoga and *Mantra* Yoga
