Action Taken Report 2019-20

Feedback taken from students and teachers was analyzed and following actions were taken:

Students' Feedback:

The feedback consisted of 34 questions. Some of the questions were close ended while others were open ended. The analysis shows that most of the students are satisfied with the academic aspects of teaching and teacher quality, library, office, laboratories, canteen etc. The few suggestions emerging from the feedback are the augmentation of NSS, sports facility and introduction of some departments at UG and PG level. Some students expected augmentation of sports facilities. The college has already taken up the issues regarding NSS and UG and PG departments with concerned authorities but being an affiliated college, there is a limitation in this regard. However, the college has expedited efforts to secure these departments in distance mode through its Study Centre of YCMOU.

Alumni Feedback:

The alumni responded quite favourably to the questions regarding infrastructure, teaching, library, sports, canteen, office services and co-curricular and extra-curricular activities. There was no significant suggestion from the alumni.

The analyses of the feedbacks received was shared with the concerned authorities, viz. the principal for further action.
