**Action Taken Report**

**Based on Students, Teachers, and Alumni Feedback**

**Year 2021-22**

<b>Issues</b>	<b>Action Taken / Planned</b>
Some of the students demanded the organization of seminars in the class.	In the light of the suggestion, the faculty was informed to take regular seminars in all classes.
The students expect more faculty to make use of ICT for classroom teaching.	Since the LCDs and smart boards are installed in all classes, all teachers are asked to make maximum use of ICT facilitates in teaching learning process.
Students have demanded to make the evaluation process more frequent and efficient.	The faculty has conducted practice /surprise/ open book tests frequently in the class. The faculty has uploaded Question Banks on the college website.
Teachers'Feedback has identified some issues as: <ul style="list-style-type: none"><li>• Number of reference books and prescribed books in the library.</li><li>• Strengthening the use of ICT facilities in the college.</li></ul>	<ul style="list-style-type: none"><li>• The departments submit departmental Business plans every year wherein they can demand funds for books to purchase.</li><li>• To procure more references, the teachers are advised to make frequent use of their Infilbnet Account.</li><li>• Teachers are making concerted efforts to bring about changes in their teaching by adopting new technology.</li><li>• Accordingly, the faculty have prepared and uploaded PPTs, question banks of their syllabi on the college website.</li><li>• Some of the faculty have used YouTube channel for online lectures since 2021-22 year was partly online.</li></ul>
Alumni Feedback has identified some issues: <ul style="list-style-type: none"><li>• The college should start degree level departments of Political Science, Sociology, Home Science, and post graduate departments of Marathi, Hindi, English, and Commerce.</li><li>• More attention should be given to Sports.</li><li>• The college give concession in college fees.</li><li>• The placement cell in the college should be more active.</li></ul>	<ul style="list-style-type: none"><li>• The CDC has discussed starting the departments at degree level on non-grant basis and also starting a new science faculty.</li><li>• The dept. of Physical Edu. has done MoUs with two colleges in Karad for Sports activities and facilities. This step will strengthen the sports activities in the college.</li><li>• The college has Students Welfare Fund that helps the economically weak students in the payments of fees.</li><li>• The college has set up placement cell to address the issue of placements.</li></ul>
