Convert the following Passage into a Table:

There are 195 countries in the world. Each country has its own unique features. They have their own currency, major spoken languages and religion. For example, Canada's currency is Canadian Dollar and the major languages spoken there are English and French. Majority of Canadian population follows Christianity . While the currency of Japan is Yen and the major spoken language is Japanese. Majority of the population follow either Buddhism or Shinto religion. However, Japan is a secular country. Nepal where Nepali language is spoken widely, the currency is Nepalese Rupee. People belonging to Hindu, Buddhism and Islam religion are found in majority in Nepal. Singapore, another Asian country has a currency - Singapore Dollar and the people there majorly talk in either English, Malay, Mandarin or Chinese language. The major of people in Singapore are either Buddhist and Christian. Our neighbouring country Sri Lanka has Sri Lankan Rupee as its currency and the Sri Lankan talk either in Sinhala or Tamil language. The major religions there are Buddhism, Hindu and Islam.

Tree Diagram

- **A chart that develops in the form of a tree.**

- **Similar to the upside down tree.**

- **Roots at the top and Branches are at the bottom.**

**Usage – Hierarchical information   OR**

Classification

Types : Organisational   OR Family / Genealogical

Helps Visual Learners and children with short attention span
